**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have an affordable fiber internet connection thanks to unbundled copper and USTelecoms ploy is a business strategy that would help them and hurt customers like me. Plain and simple. To pretend otherwise is to further the telecom monopolistic advantages that they do not need to survive but which simply make their jobs easier.
